GOVERNMENT OF INDIA
OFFICE OF THE CONTROLLER OF ENEMY FIRMS IN INDIA

Post Box No. 689.

Bombay, 9th December

To

The Secretary to the Government of India.
Department of Commerce,
New Delhi.

Sir,

I have the honour to report for the orders of the Government of India the case of Messrs. Heuenhofer & Co., Sri Maraimaharaja Road, Bangalore City. This is an unregistered private firm established in Bangalore City (Mysore State), the sole proprietor of which is Ernest Heuenhofer, a German subject, now interned at Ahmednagar. The firm dealt in provisions such as cheese, beer, wines, tinned goods etc., and electrical goods, hardware, paints, printing inks etc., mostly imported from Germany. In addition it has been working a coffee estate at Gudalur in the Nilgiri District for which no lease has been signed, although the terms thereof had been agreed upon. The assets of the firm are:

Stocks	..	Rs. 48,000/-
Outstandings Rs. 23,000/-		
of which good for payment ...	..	" 17,000/-
Furniture ...	..	" 2,000/-
Motor Car & Lorry ..	..	" 2,800/-
		<u>Rs. 69,800/-</u>

The liabilities are reported to be Rs. 12,400/- out of which a sum of Rs. 11,800/- is due to firms in Germany and Holland. It will therefore be seen that the assets exceed the liabilities by a considerable margin. In connection with the declaration of this firm to be an enemy firm and the vesting of its property in the Custodian of Enemy Property for purpose of liquidation, a reference was made to the Resident in Mysore,

110

as the firm is situated within the territories of that State, and a reply has been received from him that the State has no objection to this action being taken. As the sole proprietor of the firm is an enemy subject, I recommend that this firm be declared an enemy firm within the meaning of rule 103(2)(a) and (d)(i) and (ii), and its property be vested in the Custodian of Enemy Property for purpose of liquidation.

I have the honour to be,

Sir,

Your most obedient servant.

2. Firearms and ammunition. The Central Government will shortly issue instructions regarding the custody and disposal of these articles.

3. Other prohibited articles. These may be handed over to the nominee of the internee owner, if the nominee is not an enemy subject or if the nominee, being an enemy subject, has obtained the permission of the Civil authority to possess them. In all other cases the articles

must be taken over by the Custodian's agent and remain in his custody pending sale to a non-enemy. Motor-cars may be placed in charge of a reputable non-enemy firm on behalf of the Custodian. Garage charges will be met from the sale proceeds of the cars.

4. Other personal property of internees. Non-prohibited articles should not be received by the Custodian's agents unless the Custodian has himself been appointed as nominee of the internee owner. Owing, however, to the delay which has occurred in securing the appointment of nominees, some non-prohibited articles may have been deposited with the Custodian's agents for safe custody. These articles should be retained until the internee has appointed a nominee for disposal in accordance with section 5 of the Control of Internees' Property Order.

**All Indian States who have appointed the
British Indian Custodian of Enemy Property as
Custodian of Enemy Property in the State.**

Sir,

I have the honour to enclose for your information a copy of (1) the Enemy Property (Custody and Registration) Order, 1939, promulgated in Commerce Department Notification No. 42 (1)—Tr. (E. P.)/39, dated the 14th October 1939, (2) Notification No. 72 (1)—Tr. (W)/39, dated the 2nd November 1939, and (3) the Control of Internees' Property Order, 1939, promulgated in Defence Co-Ordination Department Notification No. 241—O. R./39, dated the 29th September 1939, and amended by Notification No. 73 (8) Tr. (W)/39, dated the 25th November 1939, and to request that if the _____ Durbar see no objection, they may kindly issue similar rules or arrange by executive order for the adoption of these rules for their territorial area. I consider that action on these lines will be necessary to enable all enemy property in the State territory to vest in me, and for me to take necessary steps in the matter of collection or liquidation of the property.

2. In particular, I would be grateful if banks, firms, and private persons who are in possession of enemy property, or who owe a debt to an enemy, could be directed to file in my office, returns in proper forms within two months of the communication of orders to them. These forms can be obtained from my office on payment of postal charges.

3. In this connection, I also enclose for your information a copy of my circular No. 1, dated the 21st October 1939, to all scheduled banks, which contains the necessary instructions to banks and other collecting agents who are retaining enemy property or claims.

4. If the _____ Durbar are pleased to adopt rules on the basis of the Government orders referred to above, and the executive instructions issued by me, I would be grateful if the officer concerned, when dealing with questions of custody of enemy property, addresses me direct on any difficulty he may have in the application of these orders.

ENCLOSURE 3.

NOTIFICATION.

Simla, the 29th September 1939.

No. 241-O.R./39.—In exercise of the powers conferred by sub-rule (1) of rule 114 of the Defence of India Rules, the Central Government is pleased to make the following Order, namely :—

1. This order may be called the Control of Internees' Property Order, 1939.
2. In this Order—
 - (i) "internee" means an enemy foreigner who has been arrested and detained under the Foreigners Ordinance, 1939;
 - (ii) "Custodian" means the Custodian of Enemy Property for British India appointed under rule 114 of the Defence of India Rules and includes any Deputy or Assistant Custodian of Enemy Property, authorised by the said Custodian in respect of all or any of the provisions of this Order.

seizure or sale in execution of a civil court decree. Para. 8 imposes on banks the duty of submitting returns to the Custodian in regard to enemy property in their possession. Your attention is also invited to sub-rule 2 of Rule 114 of the Defence of India Rules which exempts any person complying with the order of the Custodian from liability to any suit or other legal proceeding by reason only of such compliance. You may also notice sub-rule 4 of the same rule which penalises persons paying any debt or dealing with any property to which any order under sub-rule 1 applies otherwise than in accordance with the provisions of the order.

2. Under executive instructions issued by me from time to time—which were in complete accordance with the regulations now cited—banks have already paid into the account of the Custodian of Enemy Property with the Imperial Bank of India certain sums held by them on behalf of enemy subjects or firms abroad. If, however, you are still holding such sums or have failed to report them to me, will you please do so now as soon as possible?

3. In the case of a bill for collection I have no objection to your deducting your own agency and other charges in relation to the same bill and commission payable to case of need. I have also no objection to your retaining or remitting to your principals in the United Kingdom or non-enemy countries the proceeds of bills which have already been discounted or against which specifically an 100 per cent. advance has been made. In all other cases the proceeds of the bill must be credited to my account or held to my order and intimated to me, together with any claim that you may have to urge for repayment of any debt due to you from the drawer of the bill. I shall be prepared to consider not only a specific claim in relation to the same bill but also claims not related to the same bill but against the same enemy subject or firm, as for instance a claim arising out of a general hypothecation. It is hardly necessary to point out that my authority to make repayments of debt is limited by the amount of assets which are held by me on behalf of the enemy firm from whom the debt is due.

4. In the case of bills which the drawees have failed to retire on maturity will you please write asking for my instructions in regard to the further steps to be taken for the realisation of the amounts due and for the disposal of the relative goods, if any, in your possession?

5. Please furnish an up-to-date list of enemy bills held by you the proceeds of which you have not already credited into my account with the Imperial Bank of India, Bombay, or which you have still to collect. In the meanwhile you may dispose of the bills and their proceeds in the light of the instructions given above, referring to me for decision any doubtful point that may arise.

6. Banking accounts of deposits and securities held on behalf of enemy subjects or firms, including banks incorporated in the German Reich or Protectorates must also be declared. The current accounts should be transferred to my account with the Imperial Bank of India, and the deposits and securities held to my order.

Copy of letter No.174/29/39-Police, dated the 20th December 1939, from the Government of India, Home Department, to the Government of Bombay, Political and Services Department.

Subject:- Custody and disposal of firearms and ammunition belonging to enemy subjects.

In continuation of the Commerce Department letter No.73(9)-Tr(W)/39, dated the 1st November 1939, I am directed to say that the procedure required to be observed in regard to the custody and disposal of firearms and ammunition belonging to enemy subjects is the same as that applicable to prohibited articles in general laid down in paragraph 20(4) of the "Provisional Instructions for the control of Foreigners in War". According to ~~that~~ procedure if any enemy subject is unable immediately to dispose of his firearms or ammunition for which a permit has been refused, the Police should take it into their custody and give a receipt for it. If the enemy subject is able thereafter to find a bona fide purchaser willing and legally entitled to buy it, the article should be delivered to the purchaser and a receipt obtained for it.

2. In the event of the enemy subject not being able to find a purchaser his firearms and ammunition should be kept in deposit at the headquarters police station till the end of the war and the former periodically cleaned and oiled and treated as arms deposited at police stations in accordance with the rules prescribed by the Provincial Government under section 16 of the Arms Act. On the termination of the War the articles should be made over to the owner provided he is willing to pay the cleaning and oiling bill. If he is not willing to pay, the firearms and ammunition should be declared as confiscated and should be dealt with in accordance with the rules for the disposal of confiscated arms and ammunition.

1. Letter No.D.5068-E.F./39, dated 1st December 1939, from the Controller of Enemy Firms to the Secretary to the Government of India, Department of Commerce.
 2. Letter No.50(2)-Tr.W/39, dated the 18th January 1940, from the Under Secretary to the Government of India in the Department of Commerce to the Controller of Enemy Firms.

Copy of letter No.D/5068-E.F./39, dated Bombay 1st December 1939, from the Controller of Enemy Firms, to the Secretary to the Government of India, Department of Commerce, New Delhi.

I have the honour to report for the orders of the Government of India, the case of Dr. Martin Bez and his wife, Mrs. Dora Bez. These two persons were practising as Homeopathic Doctors at Bangalore. At the outbreak of the war, Dr. Martin Bez was interned, but his wife Mrs. Dora Bez is still at liberty, and with the permission of the Commissioner of Police, Civil and Military Station, Bangalore, has been carrying on business as a Homeopathic Doctor, on the understanding that she must meet her own and her child's expenses out of her earnings and should also maintain strict accounts. The stock of medicines held by them is, according to their own valuation, worth Rs.11,000/- but it is very doubtful if they will realise any appreciable sum of money if sold by any other agency. The business debts amount to Rs. 600/-, and on account of the internment of Dr. Martin Bez and the confinement of Mrs. Dora Bez to child -birth, the business has not been profitable since the commencement of the war. As however both the proprietors are enemy subjects, they must be regarded to be an enemy firm under the provisions of Rule 103(2) (a) and (d)(i) and (ii) of the Defence of India Rules. I therefore request that the Government of India, be moved to declare them to be an enemy firm. In view, however, of the fact that the stocks of Homeopathic medicines held by them, if sold by Government Agency, will not fetch a reasonable price, and that the liquidation of the firm would place on Government the burden of the maintenance of Mrs. Dora Bez and her child, I suggest that Mrs. Bez be allowed to continue the business on the understanding on which she is at present allowed to do so.

.....

Sir,

S. N. 71 (P)

I am directed to refer to the Political Department
express letter No. F. 39-W/39, dated the 28th October
1939 and subsequent correspondence, on the above subject,
and to state that on reconsideration it has been decided
that the appointment of British Indian Inspectors of Enemy
Trading in State territories is unnecessary, since these
Inspectors will not, in practice, be available for anything
but consultation a function which, it has been considered
preferable, should be centralised in the Office of the
Controller of Enemy Trading. I am accordingly to request
you kindly -

- (a) to ask such of the Indian States within your
charge as have already appointed any British
Indian Inspector of Enemy Trading as an Inspec-
tor in State territory to cancel the relevant
State Notification making such appointment, and

Non-enemy sources is being examined in each case and if they cannot do so they may have to be closed down.

The enemy holding of shares in companies on the Indian register continuing in business will be vested in the Custodian in conditions similar to those in which the enemy holding of shares in companies on the British register is vested under the orders of His Majesty's Government.

4. As regards the winding up of enemy firms other than companies, the necessary legal cover exists in sub-paragraph 2 of paragraph 4 of the Enemy Property (Custodian and Registration) Order, 1939, since clause (ii) of that sub-paragraph empowers the Custodian to recover moneys due to enemy firms and clause (iv) empowers him to discharge the liabilities of the firm. If the Custodian desires to wind up an enemy business, he will complete both these processes and will place any credit balance in suspense. Where the enemy firm is a company, it will be "wound up" with a view, inter alia, to paying off the non-enemy shareholders. It is considered that Rule 114(1) of Defence of India Rules as it stands does not confer the necessary powers for this purpose and it has accordingly been decided to insert a new rule (114-A) in order to provide the necessary authority. It may be mentioned that the procedure adopted in the United Kingdom for the liquidation of enemy companies viz., vesting the enemy shares and arranging for voluntary liquidation cannot in many cases be followed in India, the reason being that the definition of 'enemy firm' is wider under the Indian Rules than in the United Kingdom and the Custodian has a majority vote only in a few cases.
